The Transaction Entities understand that the Underwriters propose to make a public offering of the Securities as soon as the Representatives deem advisable after this Agreement has been executed and delivered.

The Transaction Entities have prepared and previously delivered to you a preliminary prospectus supplement dated July 29, 2019 relating to the Securities and a related prospectus dated September 28, 2018 (the “**Base Prospectus**”). Such preliminary prospectus supplement and Base Prospectus, including the documents incorporated or deemed to be incorporated by reference therein pursuant to Item 12 of Form S-3 under the Securities Act of 1933, as amended (the “**Act**” or “**1933 Act**”), are hereinafter called, collectively, the “**Pre-Pricing Prospectus**.” Promptly after the execution and delivery of this Agreement, the Transaction Entities will prepare and file with the Securities and Exchange Commission (the “**Commission**”) a prospectus supplement dated July 29, 2019 (the “**Prospectus Supplement**”) and will file the Prospectus Supplement and the Base Prospectus with the Commission, all in accordance with the provisions of Rule 430B and Rule 424(b), and the Transaction Entities have previously advised you of all information (financial and other) that will be set forth therein. The Prospectus Supplement and the Base Prospectus, in the form first furnished to the Underwriters for use in connection with the offering of the Securities (whether to meet the request of purchasers pursuant to Rule 173(d) or otherwise), including the documents incorporated or deemed to be incorporated by reference therein (in each case including the Rule 430B Information) pursuant to Item 12 of Form S-3 under the 1933 Act, are herein called, collectively, the “**Prospectus**.”

1. **Representations and Warranties of the Transaction Entities.** Each of the Transaction Entities, jointly and severally, represents and warrants to, and agrees with, the several Underwriters as of the date hereof, as of the Applicable Time referred to in Section 2 hereof and as of the Closing Time referred to in Section 2 hereof, and agree with each Underwriter, as follows:

A. **Status as a Well-Known Seasoned Issuer.** (A) At the respective times the Registration Statement or any amendments thereto were filed with the Commission, (B) at the time of the most recent amendment to the Registration Statement for the purposes of complying with Section 10(a)(3) of the 1933 Act (whether such amendment was by post-effective amendment, incorporated report filed pursuant to Section 13 or 15 (d) of the Securities Exchange Act of 1934, as amended (the “**Exchange Act**”) or form of prospectus), (C) at any time any Transaction Entity or any person acting on its behalf (within the meaning, for this clause only, of Rule 163(c)) made any offer relating to the Securities in reliance on the exemption of Rule 163 and (D) at the date hereof, each of the Transaction Entities was and is a “well-known seasoned issuer” as defined in Rule 405. The Registration Statement is an “automatic shelf registration statement,” as defined in Rule 405 and the Securities, since their registration on the Registration Statement, have been and remain eligible for registration by the Transaction Entities on such an “automatic shelf registration statement.” The Transaction Entities have not received from the Commission any notice pursuant to Rule 401(g)(2) objecting to the use of an automatic shelf registration statement. Any written communication that was an offer relating to the Securities made by the Transaction Entities or any person acting on either of their behalf (within the meaning, for this sentence only, of Rule 163(c)) prior to the filing of the Registration Statement has been filed with the Commission in accordance with Rule 163 and otherwise complied with the requirements of Rule 163, including without limitation the legending requirement, to qualify such offer for the exemption from Section 5(c) of the 1933 Act provided by Rule 163.

B. **Compliance with Registration Requirements.** Each of the Transaction Entities meet the requirements for use of Form S-3 under the 1933 Act, and the Securities have been duly registered under the 1933 Act pursuant to the Registration Statement. The Registration Statement and any post-effective amendments thereto have become effective under the 1933 Act and no stop order suspending the effectiveness of the Registration Statement has been issued under the 1933 Act and no proceedings for that purpose have been instituted or are pending or, to the knowledge of the Company, are contemplated by the Commission, and any request on the part of the Commission for additional information has been complied with. The Registration Statement was initially filed with the Commission on September 28, 2018.

C. **Registration Statement, Prospectus and Disclosure at Time of Sale.** At the respective times that the Registration Statement and any amendments thereto became effective, at each time subsequent to the filing of the Registration Statement that either of the Transaction Entities filed an Annual Report on Form 10-K (or any amendment thereto) with the Commission, at each deemed effective date with respect to the Underwriters pursuant to Rule 430B(f)(2), and at the Closing Time, the Registration Statement and any amendments to any of the foregoing complied and will comply in all material respects with the requirements of the 1933 Act, the 1933 Act Regulations and the 1939 Act and did not and will not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading.

At the respective times the Prospectus or any amendment or supplement thereto was filed pursuant to Rule 424(b) or issued, at the Closing Time, and at any time when a prospectus is required (or, but for the provisions of Rule 172, would be required) by applicable law to be delivered in connection with sales of Securities (whether to meet the requests of purchasers pursuant to Rule 173(d) or otherwise), neither the Prospectus nor any amendments or supplements thereto included or will include an untrue statement of a material fact or omitted or will omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading.

For purposes of this Agreement, references to the “delivery” or “furnishing” of any of the foregoing documents to the Underwriters, and any similar terms, include, without limitation, electronic delivery.

O. **No Material Actions or Proceedings.** Except as disclosed in the Registration Statement, the General Disclosure Package and the Prospectus, there are no legal or governmental actions, suits or proceedings pending or, to the best of the Transaction Entities’ knowledge, threatened (i) against or affecting the Transaction Entities or any Subsidiary which has as the subject thereof any officer or director of, or property owned or leased by, the Transaction Entities, where in any such case (A) there is a reasonable possibility that such action, suit or proceeding might be determined adversely to such Transaction Entity or Subsidiary and (B) any such action, suit or proceeding, if so determined adversely, would reasonably be expected to result in a Material Adverse Change or adversely affect the consummation of the transactions contemplated by this Agreement and the Indenture. No material labor dispute with the employees of the Transaction Entities or any Subsidiary exists or, to the best of the Transaction Entities’ knowledge, is threatened or imminent.

P. **All Necessary Permits, etc.** The Transaction Entities and the Subsidiaries possess such valid and current certificates, authorizations or permits issued by the appropriate state, federal or foreign regulatory agencies or bodies necessary to conduct their respective businesses, other than those the failure to possess or own would not result in a Material Adverse Change, and neither Transaction Entity nor any Subsidiary has received any notice of proceedings relating to the revocation or modification of, or non-compliance with, any such certificate, authorization or permit which, singly or in the aggregate, if the subject of an unfavorable decision, ruling or finding, could result in a Material Adverse Change.

Q. **Tax Law Compliance.** The Transaction Entities and each of the Subsidiaries (including any predecessor entities) have filed all necessary federal, state, local and foreign income, property and franchise tax returns and have paid all taxes required to be paid by any of them and, if due and payable, any related or similar assessment, fine or penalty levied against any of them except as may be being contested in good faith and by appropriate proceedings. The Transaction Entities and each of the Subsidiaries (including any predecessor entities) have made adequate charges, accruals and reserves in the applicable financial statements referred to in Section 1(J) above in respect of all federal, state, local and foreign income, property and franchise taxes for all periods as to which any tax liability has not been finally determined.

R. **Company is a REIT.** Commencing with the Company's taxable year ended December 31, 1994, the Company has been organized and has operated in conformity with the requirements for qualification as a "real estate investment trust," (a "REIT") and its organization and proposed method of operation will enable it to continue to meet the requirements for the qualification and taxation as a REIT under the Internal Revenue Code of 1986, as amended (the "Code").

S. **Company Not an "Investment Company".** The Transaction Entities have been advised of the rules and requirements under the Investment Company Act of 1940, as amended (the "Investment Company Act"). Neither of the Transaction Entities is, or after giving effect to the offering and sale of the Securities and the application of the proceeds thereof as described in the General Disclosure Package and the Prospectus will be, an "investment company" within the meaning of Investment Company Act and each Transaction Entity will conduct its business in a manner so that it will not become subject to the Investment Company Act.

T. **Insurance.** Except as otherwise described in the Registration Statement, the General Disclosure Package and the Prospectus, each of the Transaction Entities and the Subsidiaries are insured by insurers of recognized financial responsibility with policies in such amounts and with such deductibles and covering such risks as are generally deemed prudent and customary for the business for which it is engaged including, but not limited to, policies covering real and personal property owned or leased by the Transaction Entities and the Subsidiaries against theft, damage, destruction and acts of vandalism. The Transaction Entities have no reason to believe that it or any Subsidiary will not be able (i) to renew its existing insurance coverage as and when such policies expire or (ii) to obtain comparable coverage from similar institutions as may be necessary or appropriate to conduct its business as now conducted and at a cost that would not result in a Material Adverse Change.

U. **Related Party Transactions.** There are no business relationships or related-party transactions involving the Transaction Entities or any Subsidiary or any other person required to be described in a registration statement to be filed with the Commission and that is not so described in the Registration Statement, the General Disclosure Package and the Prospectus.

X. **Transaction Entity's Accounting Systems.** Each Transaction Entity maintains a system of accounting controls sufficient to provide reasonable assurances that (i) transactions are executed in accordance with management's general or specific authorization; (ii) transactions are recorded as necessary to permit preparation of financial statements in conformity with generally accepted accounting principles as applied in the United States and to maintain accountability for assets; (iii) access to assets is permitted only in accordance with management's general or specific authorization; and (iv) the recorded accountability for assets is compared with existing assets at reasonable intervals and appropriate action is taken with respect to any differences. The Company and its subsidiaries have established, maintained and periodically evaluate the effectiveness of "disclosure controls and procedures" (as defined in Rules 13a-15 and 15d-15 under the Exchange Act); such disclosure controls and procedures are designed to ensure that information required to be disclosed by the Transaction Entities in the reports that they are required to file or submit under the Exchange Act is recorded, processed, summarized and reported, within the time periods specified in the Commission's rules and forms, and accumulated and communicated to the management of each of the Transaction Entities, including its respective principal executive officer or officers and principal financial officer or officers, as appropriate, to allow timely decisions regarding disclosure.

The independent public accountants of the Transaction Entities and the audit committee of the board of directors of each of the Transaction Entities have been advised of all material weaknesses, if any, and significant deficiencies (as defined in Rule 1-02 of Regulation S-X of the Commission), if any, in the internal control over financial reporting of the Transaction Entities and of all fraud, if any, whether or not material, involving management or other employees who have a role in the internal controls of the Transaction Entities, in each case that occurred or existed, or was first detected, at any time during the three most recent fiscal years covered by the audited financial statements of the Transaction Entities included in the Registration Statement, the General Disclosure Package and the Prospectus or at any time subsequent thereto.

On the basis of such analysis and the amount of its established reserves, the Transaction Entities have reasonably concluded that the costs and liabilities associated with the Transaction Entities’ and Subsidiaries’ properties’ compliance with Environmental Laws would not reasonably be likely, individually or in the aggregate, to result in a Material Adverse Change.

OO. **Cybersecurity.** Except as disclosed in the Registration Statement, the General Disclosure Package and the Prospectus, (a) to the knowledge of the Company, there has been no security breach or incident, unauthorized access or disclosure, or other compromise of the Company's or its subsidiaries' information technology and computer systems, networks, hardware, software, data and databases (including the data and information of their respective tenants, customers, employees, suppliers, vendors and any third party data maintained, processed or stored by the Company and its subsidiaries, and any such data processed or stored by third parties on behalf of the Company and its subsidiaries), equipment or technology (collectively, "IT Systems and Data"); (b) neither the Company nor its subsidiaries have been notified of, and have no knowledge of any event or condition that would result in, any security breach or incident, unauthorized access or disclosure or other compromise to their IT Systems and Data and (c) the Company and its subsidiaries have implemented controls, policies, procedures, and technological safeguards to maintain and protect the integrity, continuous operation, redundancy and security of their IT Systems and Data reasonably consistent with industry standards and practices, or as required by applicable regulatory standards, except with respect to clauses (a) and (b), for any such security breach or incident, unauthorized access or disclosure, or other compromises, as would not, individually or in the aggregate, result in a Material Adverse Change, or with respect to clause (c), where the failure to do so would not, individually or in the aggregate, result in a Material Adverse Change. D. **Continued Compliance with Securities Laws.** The Company and the Operating Partnership will comply with the 1933 Act, the 1933 Act Regulations, the Exchange Act and the Exchange Act Regulations so as to permit the completion of the distribution of the Securities as contemplated by this Agreement, the General Disclosure Package and the Prospectus. If at any time when a prospectus is required (or, but for the provisions of Rule 172, would be required) by the applicable law to be delivered in connection with sales of the Securities (whether to meet the request of purchasers pursuant to Rule 173(d) or otherwise), any event shall occur or condition shall exist as a result of which it is necessary (or if the Representatives or counsel for the Underwriters shall notify the Company that, in their judgment, it is necessary) to amend the Registration Statement or amend or supplement the General Disclosure Package or the Prospectus (or, in each case, any documents incorporated or deemed to be incorporated by reference therein) so that the Registration Statement, the General Disclosure Package or the Prospectus, as the case may be, will not include any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made or then prevailing, not misleading or if it is necessary (or, if the Representatives or counsel for the Underwriters shall notify the Company or the Operating Partnership that, in their judgment, it is necessary) to amend the Registration Statement or amend or supplement the General Disclosure Package or the Prospectus (or, in each case, any documents incorporated or deemed to be incorporated by reference therein) in order to comply with the requirements of the 1933 Act, the 1933 Act Regulations, the Exchange Act or the Exchange Act Regulations, the Company and the Operating Partnership will promptly notify the Representatives of such event or condition and of its intention to file such amendment or supplement (or, if the Representatives or counsel for the Underwriters shall have notified the Company as aforesaid, the Company and the Operating Partnership will promptly notify the Representatives of their intention to prepare such amendment or supplement) and will promptly prepare and file with the Commission, subject to Section 3(J) hereof, such amendment or supplement as may be necessary to correct such untrue statement or omission or to comply with such requirements, and, in the case of an amendment or post-effective amendment to the Registration Statement, the Company and the Operating Partnership will use their best efforts to have such amendment declared or become effective as soon as practicable and the Company and the Operating Partnership will furnish to the Underwriters such number of copies of such amendment or supplement as the Underwriters may reasonably request. If at any time an Issuer Free Writing Prospectus conflicts with the information contained in the Registration Statement or if an event shall occur or condition shall exist as a result of which it is necessary (or if the Representatives or counsel for the Underwriters shall notify the Company or the Operating Partnership that, in their judgment, it is necessary) to amend or supplement such Issuer Free Writing Prospectus so that it will not include an untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made or then prevailing, not misleading, or if it is necessary (or, if the Representatives or counsel for the Underwriters shall notify the Company or the Operating Partnership that, in their judgment, it is necessary) to amend or supplement such Issuer Free Writing Prospectus in order to comply with the requirements of the 1933 Act or the 1933 Act Regulations, the Company and the Operating Partnership will promptly notify the Representatives of such event or condition and of their intention to file such amendment or supplement (or, if the Representatives or counsel for the Underwriters shall have notified the Company or the Operating Partnership as aforesaid, the Company and their Operating Partnership will promptly notify the Representatives of their intention to prepare such amendment or supplement) and will promptly prepare and, if required by the 1933 Act or the 1933 Act Regulations, file with the Commission, subject to Section 3(J) hereof, such amendment or supplement as may be necessary to eliminate or correct such conflict, untrue statement or omission or to comply with such requirements, and the Company and the Operating Partnership will furnish to the Underwriters such number of copies of such amendment or supplement as the Underwriters may reasonably request.

E. **Rule 158.** The Company and the Operating Partnership will timely file such reports pursuant to the Exchange Act as are necessary in order to make generally available to its securityholders as soon as practicable an earnings statement for the purposes of, and to provide to the Underwriters the benefits contemplated by, the last paragraph of Section 11(a) of the 1933 Act.

F. **Reporting Requirements.** The Company and the Operating Partnership, during the period when the Prospectus is required (or, but for the provisions of Rule 172, would be required) by applicable law to be delivered (whether to meet the request of purchasers pursuant to Rule 173(d) or otherwise), will file all documents required to be filed with the Commission pursuant to the Exchange Act and the Exchange Act Regulations within the time periods required by the Exchange Act and the Exchange Act Regulations.

G. **Preparation of Prospectus.** Immediately following the execution of this Agreement, the Company and the Operating Partnership will, subject to Section 3(J) hereof, prepare the Prospectus, which shall contain the public offering price and terms of the Securities, the plan of distribution thereof and such other information as may be required by the 1933 Act or the 1933 Act Regulations or as the Representatives and the Company may deem appropriate, and will file or transmit for filing with the Commission, in accordance with the provisions of Rule 430B and in the manner and within the time period required by Rule 424(b) (without reliance on Rule 424(b)(8)), the Prospectus.

H. **New Registration Statement.** If, immediately prior to the third anniversary of the initial effective date of the Registration Statement (the “**Renewal Deadline**”), any of the Securities remains unsold by the Underwriters, the Company and the Operating Partnership will, prior to the Renewal Deadline, if it has not already done so and is eligible to do so, file a new automatic shelf registration statement relating to the Securities, and notify the Representatives when such filing has been made. If the Company or the Operating Partnership is no longer eligible to file an automatic shelf registration statement, the Company and the Operating Partnership will, prior to the Renewal Deadline, if it has not already done so, file a new registration statement relating to the Securities, and notify the Representatives when such filing has been made and use its best efforts to cause such registration statement to be declared effective within 180 days after the Renewal Deadline. The Company and the Operating Partnership will furnish the Representatives with copies of any such new registration statement a reasonable amount of time prior to such proposed filing and, notwithstanding the foregoing provisions of this paragraph, will not file any such proposed registration statement to which the Representatives or counsel for the Underwriters shall object. In any such case, the Company and the Operating Partnership will take all other action as is necessary or appropriate to permit the public offering and sale of the Securities to continue from and after the Renewal Deadline as contemplated in the expired registration statement relating to the Securities. References in this Agreement to the “Registration Statement” shall include any such new registration statement from and after the time it is filed with the Commission, mutatis mutandis.

I. **Pricing Term Sheet.** The Company and the Operating Partnership will prepare a pricing term sheet (the “**Pricing Term Sheet**”) reflecting the final terms of the Securities, in substantially the form attached hereto as Schedule B and otherwise in form and substance satisfactory to the Representatives, and shall file such Pricing Term Sheet as an “issuer free writing prospectus” pursuant to Rule 433 not later than the date of first use thereof; provided that the Company and the Operating Partnership shall furnish the Representatives with copies of any such Pricing Term Sheet a reasonable amount of time prior to such proposed filing and will not use or file any such document to which the Representatives or counsel to the Underwriters shall object.

J. **Filing of Amendments.** The Company and the Operating Partnership will advise each Underwriter promptly of any proposal to amend or supplement the Registration Statement, any Issuer Free Writing Prospectus or any amendment, supplement or revision to any preliminary prospectus, the Prospectus or any Issuer Free Writing Prospectus, whether pursuant to the 1933 Act or otherwise, and the Company will furnish the Representatives with copies of any such documents within a reasonable amount of time prior to such proposed filing or use, as the case may be, and will not file or use any such document to which the Representatives or counsel for the Underwriters shall object. The Company has given the Representatives notice of any filings made pursuant to the Exchange Act or the Exchange Act Regulations (“**Exchange Act Filings**”) within 48 hours prior to the Applicable Time; the Company will give the Representatives notice of its intention to make any such filing from the Applicable Time through the Closing Time (or, if later, through the end of the period during which the Prospectus is required (or, but for the provisions of Rule 172, would be required) to be delivered by applicable law (whether to meet the requests of purchasers pursuant to Rule 173(d) or otherwise)) and will furnish the Representatives with copies of any such documents a reasonable amount of time prior to such proposed filing, as the case may be, and will not file or use any such document to which the Representatives or counsel for the Underwriters shall object. Neither the consent of the Underwriters, the Underwriters’ delivery of any such amendment or supplement, nor the furnishing to the Underwriters of any such Exchange Act Filings shall constitute a waiver of any of the conditions set forth in Section 4 hereof. The Company and the Operating Partnership will prepare the Pricing Supplement, in form and substance satisfactory to the Representatives, and shall furnish prior to the Applicable Time to each Underwriter, without charge, as many physical or electronic copies of the Pricing Supplement as such Underwriter may reasonably request.

K. **Qualification of Securities for Offer and Sale.** The Company and the Operating Partnership will use their best efforts, in cooperation with the Underwriters, to qualify the Securities for offering and sale, or to obtain a valid exemption for the Securities to be offered and sold, under the applicable securities laws, including real estate syndication laws, of such states and other jurisdictions as the Underwriters may designate and to maintain such qualifications and exemptions in effect as long as required for the distribution of the Securities (but in no event for a period of not less than one year from the date of this Agreement); provided, however, that neither the Company nor the Operating Partnership shall be obligated to file any general consent to service of process or to qualify as a foreign entity or as a dealer in securities in any jurisdiction in which it is not so qualified or to subject itself to taxation in respect of doing business in any jurisdiction in which it is not otherwise so subject. In each jurisdiction in which the Securities have been so qualified or exempt, the Company and the Operating Partnership will file such statements and reports as may be required by the laws of such jurisdiction to continue such qualification or exemption, as the case may be, in effect for so long as required for the distribution of the Securities (but in no event for a period of not less than one year from the date of this Agreement).

L. **DTC.** The Company and the Operating Partnership will cooperate with the Underwriters and use their best efforts to permit the Securities to be eligible for clearance and settlement through the facilities of DTC.

M. **Use of Proceeds.** The Company and the Operating Partnership will use the net proceeds received by the Operating Partnership from the sale of the Securities in the manner specified in the Pre-Pricing Prospectus and the Prospectus under "Use of Proceeds."

N. **Restriction on Sale of Securities.** During the period commencing on the date hereof and ending at the Closing Time, neither the Company nor the Operating Partnership will, without the prior written consent of the Representatives (which consent may be withheld at the sole discretion of the Representatives), directly or indirectly issue, offer, sell, contract to sell, hypothecate, pledge, grant or sell any option, right or warrant to purchase, or establish an open "put equivalent position" within the meaning of Rule 16a-1(h) under the Exchange Act, or otherwise dispose of, or contract to dispose of, or file a registration statement under the Act or prospectus supplement with respect to any outstanding registration statement with the Commission with respect to, any debt securities of the Company, the Operating Partnership or any of their respective subsidiaries substantially similar to the Securities or any other securities convertible into or exercisable or exchangeable for the Securities or debt securities similar to the Securities.

O. **Notification of Certain Events.** Prior to the Closing Time, each of the Company and the Operating Partnership will notify the Underwriters in writing immediately if any event occurs that renders any of the representations and warranties of the Company and the Operating Partnership contained herein inaccurate or incomplete.

P. **REIT Qualification.** The Company will use its best efforts to maintain its qualification as a REIT under the Code.

Q. **Compliance with Laws.** Until the offering of the Securities is complete, the Company will (1) comply with all provisions of the Act and the Securities Act Regulations and the Exchange Act and Exchange Act Regulations and (2) file all documents required to be filed with the Commission pursuant to the Exchange Act within the time periods required by the Exchange Act and the Exchange Act Regulations.

R. **Investment Company.** The Company will take such steps as shall be necessary to ensure that neither the Company nor the Operating Partnership shall become an “investment company” within the meaning of such term under the Investment Company Act and the rules and regulations of the Commission thereunder.

4. **Conditions of the Obligations of the Underwriters.** The obligations of the several Underwriters to purchase and pay for the Securities at the Closing Time will be subject to the accuracy of the representations and warranties on the part of the Transaction Entities herein, to the accuracy of the statements of Company officers made pursuant to the provisions hereof, to the performance by the Company of its obligations hereunder and to the following additional conditions precedent:

A. **Effectiveness of Registration Statement.** The Registration Statement shall have become effective, and no stop order suspending the effectiveness of the Registration Statement shall have been issued under the 1933 Act or proceedings therefor initiated or, to the knowledge of the Transaction Entities, threatened by the Commission, and any request on the part of the Commission for additional information shall have been complied with to the reasonable satisfaction of the Representatives and the Commission shall not have notified the Company or the Operating Partnership of any objection to the use of the form of the Registration Statement. The Prospectus shall have been filed with the Commission in the manner and within the time period required by Rule 424(b) (without reliance upon Rule 424(b)(8)) and each Issuer Free Writing Prospectus required to be filed with the Commission shall have been filed in the manner and within the time period required by Rule 433, and, prior to the Closing Time, the Company shall have provided evidence satisfactory to the Representatives of such timely filings.

B. **Additional Documents.** At the Closing Time, counsel for the Underwriters shall have been furnished with such documents and opinions as they may require for the purpose of enabling them to pass upon the issuance and sale of the Securities as herein contemplated, or in order to evidence the accuracy of any of the representations or warranties, or the fulfillment of any of the conditions, contained in this Agreement, or as the Representatives or counsel for the Underwriters may otherwise reasonably request; and all proceedings taken by the Company in connection with the issuance and sale of the Securities as herein contemplated and in connection with the other transactions contemplated by this Agreement shall be satisfactory in form and substance to the Representatives.

C. **Accountant’s Letter.** The Representatives shall have received a letter at the time of execution of this Agreement of KPMG LLP in the form approved by the Representatives before the execution of this Agreement, with respect to the financial statements and certain financial information set forth in or incorporated by reference in the Registration Statement, the General Disclosure Package, any Issuer Free Writing Prospectuses (other than any electronic roadshow) and the Prospectus and any amendments or supplements to any of the foregoing, which shall include substantially the following statements:

(1) they are an independent registered public accounting firm with respect to the Company and the Operating Partnership within the meaning of the Act, the Securities Act Regulations and the rules and regulations of the Public Company Accounting Oversight Board (United States);

(2) in their opinion the Company's and the Operating Partnership's consolidated financial statements and related financial statement schedules examined by them and included in or incorporated by reference into the Registration Statement, the General Disclosure Package, any Issuer Free Writing Prospectuses (other than any electronic road show) and the Prospectus and any amendments or supplements to any of the foregoing, comply as to form in all material respects with the applicable accounting requirements of the Act, the Securities Act Regulations, the Exchange Act and the Exchange Act Regulations;

(3) if applicable, they have performed the procedures specified by the American Institute of Certified Public Accountants for a review of interim financial information as described in Statement of Auditing Standards No. 100, Interim Financial Information, on the Company's unaudited financial statements, if any, included in or incorporated by reference into the Registration Statement, the General Disclosure Package, any Issuer Free Writing Prospectuses (other than any electronic road show) and the Prospectus and any amendments or supplements to any of the foregoing;

(4) on the basis of the review referred to in clause (3) above, a reading of the latest available interim financial statements of the Company and the Operating Partnership, inquiries of officials of the Company who have responsibility for financial and accounting matters, and other specified procedures, nothing came to their attention that caused them to believe that:

(a) the unaudited financial statements, if any, included in or incorporated by reference into the Registration Statement, the General Disclosure Package, any Issuer Free Writing Prospectuses (other than any electronic road show) and the Prospectus and any amendments or supplements to any of the foregoing, do not comply as to form in all material respects with the applicable accounting requirements of the Act, the Securities Act Regulations, the Exchange Act and the Exchange Act Regulations or that any material modifications should be made to such unaudited financial statements for them to be in conformity with GAAP;

(b) (i) at the date of the latest available consolidated balance sheet read by such accountants, and at a subsequent specified date not more than three business days prior to the date of this Agreement, there was: (aa) any change in the capital stock of the Company, any increase in consolidated indebtedness or any decrease in consolidated stockholders' equity of the Company and its subsidiaries as compared with amounts shown on the latest consolidated balance sheet of the Company included in or incorporated by reference into the Registration Statement, the General Disclosure Package, any Issuer Free Writing Prospectuses (other than any electronic road show) and the Prospectus and any amendments or supplements to any of the foregoing; or (bb) any change in the general partner units, any increase in consolidated indebtedness or any decrease in general partner capital of the Operating Partnership and its subsidiaries as compared with amounts shown on the latest consolidated balance sheet of the Operating Partnership included in or incorporated by reference into the Registration Statement, the General Disclosure Package, any Issuer Free Writing Prospectuses (other than any electronic road show) and the Prospectus and any amendments or supplements to any of the foregoing; or (ii) for the period covered by the latest available consolidated income statement read by such accountants, and for the period beginning on the date immediately subsequent to the end of such period and ending on a subsequent specified date not more than three business days prior to the date of this Agreement, there were any decreases, as compared with the corresponding periods of the previous year, in consolidated revenue from rental operations, net income, or diluted net income available to common stockholders/unitholders per common share/unit of the Company/Operating Partnership except in all cases set forth in clauses (i) or (ii) for changes, increases or decreases which the Registration Statement, the General Disclosure Package, any Issuer Free Writing Prospectuses (other than any electronic road show) and the Prospectus and any amendments or supplements to any of the foregoing, disclose have occurred or may occur;

(5) they have read the unaudited pro forma financial statements, if any, included in or incorporated by reference into the Registration Statement, the General Disclosure Package, any Issuer Free Writing Prospectuses (other than any electronic road show) and the Prospectus and any amendments or supplements to any of the foregoing and inquired of certain officials of the Company who have responsibility for financial and accounting matters and proved the arithmetic accuracy of the application of the pro forma adjustments, and on the basis of the procedures, nothing came to their attention that caused them to believe that the pro forma financial statements included in or incorporated by reference into the Registration Statement, the General Disclosure Package, any Issuer Free Writing Prospectuses (other than any electronic road show) and the Prospectus and any amendments or supplements to any of the foregoing, do not comply as to form in all material respects with the applicable accounting requirements of the Exchange Act and the Exchange Act Regulations or that the pro forma adjustments have not been properly applied; and

(6) they have compared specified dollar amounts (or percentages derived from such dollar amounts) and other financial information contained in the Registration Statement, the General Disclosure Package, any Issuer Free Writing Prospectuses (other than any electronic road show) and the Prospectus and any amendments or supplements to any of the foregoing (in each case to the extent that such dollar amounts, percentages and other financial information are derived from the general accounting records of the Company subject to the internal controls of the Company's accounting system or are derived directly from such records by analysis or computation and to the extent that dollar amounts, percentages and other financial information included in such analysis or computation are derived from the general accounting records of the Company subject to the internal controls of the Company's accounting system) with such general accounting records and have performed other procedures specified in such letter and have found such dollar amounts, percentages and other financial information to be in agreement with such general accounting records, except as otherwise specified in such letter.

D. **Subsequent Events.** Subsequent to the execution and delivery of this Agreement, and since the respective dates as of which information is given in the Registration Statement, the General Disclosure Package, any Issuer Free Writing Prospectuses (other than any electronic road show) and the Prospectus and any amendments or supplements to any of the foregoing, there shall not have occurred:

(1) any change, or any development or event involving a prospective change, in the condition (financial or other), business, properties, earnings, results of operations or prospects of the Transaction Entities and the Subsidiaries taken as one enterprise, whether or not in the ordinary course, which, individually or in the aggregate, in the sole judgment of the Representatives, is material and adverse and makes it impractical or inadvisable to proceed with completion of the public offering or the sale of and payment for the Securities;

(2) any change in U.S. or international financial, political or economic conditions or currency exchange rates or exchange controls as would, in the sole judgment of the Representatives, be likely to prejudice materially the success of the proposed issue, sale or distribution of the Securities, whether in the primary market or in respect of dealings in the secondary market;

(3) any suspension or limitation of trading in securities generally on the New York Stock Exchange, or any setting of minimum prices for trading on such exchange;

(4) any suspension of trading of any securities of the Transaction Entities on any exchange or in the over-the-counter market;

(5) any banking moratorium declared by U.S. federal or New York state authorities;

(6) any major disruption of settlements of securities or clearance services in the United States;

(7) any attack on or outbreak or escalation of hostilities or act of terrorism involving the United States, any declaration of war by Congress or any other national or international calamity, crisis or emergency if, in the sole judgment of the Representatives, the effect of any such attack, outbreak, escalation, act, declaration, calamity, crisis or emergency makes it impractical or inadvisable to proceed with completion of the public offering or the sale and delivery of the Securities; or

(8) any downgrading, nor shall any notice have been given of any intended or potential downgrading or of any review for a possible change that does not indicate the direction of the possible change, in the rating accorded any securities of the Transaction Entities or Subsidiaries by any "nationally recognized statistical rating organization" as such term is defined for the purposes of Section 3(a)(62) under the Exchange Act.

E. **Issuer's Counsel's Opinion.** The Representatives shall have received opinion letters, dated as of the Closing Time, of Latham & Watkins LLP, as legal and tax counsel for the Company, and of Venable LLP, as Maryland legal counsel for the Company, the forms of which are attached as Exhibit A, A-1 and A-2, respectively.

F. **Underwriters' Counsel's Opinion.** At the Closing Time, the Representatives shall have received from Alston & Bird LLP, counsel for the Underwriters, such opinion and other letters, dated as of the Closing Time, with respect to such matters as the Representatives may require, and the Transaction Entities shall have furnished to such counsel such documents as they request for the purpose of enabling them to pass upon such matters.

G. **Officers' Certificates.** Each Transaction Entity shall have furnished the Representatives a certificate, dated as of the Closing Time, of its, or its general partner's or managing member's chief executive officer(s) or chief financial officer and any vice president in which such officers shall state that, to the best of their knowledge after reasonable investigation:

(1) the representations and warranties of the Transaction Entities set forth in this Agreement are true and correct;

(2) the Transaction Entities have complied with all agreements and satisfied all conditions on their part to be performed or satisfied hereunder at or prior to the Closing Time;

(3) since the respective dates as of which information is given in the Registration Statement, the General Disclosure Package and the Prospectus (in each case exclusive of any amendments or supplements thereto subsequent to the date of this Agreement), there has been no Material Adverse Change, whether or not arising in the ordinary course; and

(4) no stop order suspending the effectiveness of the Registration Statement has been issued and no proceedings for that purpose have been instituted or are pending or, to the knowledge of the Company or the Operating Partnership, as applicable, are contemplated by the Commission and the Commission has not notified the Company or the Operating Partnership, as applicable, of any objection to the use of the form of the Registration Statement, and to the effect set forth in Section 4(D)(8) above.

H. **Accountant's Letter.** The Representatives shall have received a letter, dated as of the Closing Time, of KPMG LLP which meets the requirements of Section 4(C), except that the specified date referred to in such subsection will be a date not more than three days prior to the Closing Time, as applicable, for the purposes of this subsection.

I. **Indenture.** At or prior to the Closing Time, each of the Company, the Operating Partnership and the Trustee shall have executed and delivered the Indenture.

J. **Satisfaction of Other Conditions.** At the Closing Time, counsel for the Underwriters shall have been furnished with such other documents as they may reasonably require for the purpose of enabling them to pass upon the issuance and sale of the Securities as herein contemplated and related proceedings, or in order to evidence the accuracy of any of the representations or warranties, or the fulfillment of any of the conditions, herein contained; and all proceedings taken by the Transaction Entities in connection with the issuance and sale of the Securities as herein contemplated shall be satisfactory in form and substance to the Underwriters and counsel for the Underwriters.

K. **Satisfaction of Underwriters' Counsel.** All opinions, letters, evidence and certificates mentioned above or elsewhere in this Agreement shall be deemed to be in compliance with the provisions hereof only if they are in form and substance reasonably satisfactory to counsel for the Underwriters.

L. **Copies of Documents; Waiver of Compliance.** The Company will furnish the Representatives with such conformed copies of such opinions, certificates, letters and documents as the Representatives may reasonably request. The Representatives may in their sole discretion waive on behalf of the Underwriters compliance with any conditions to the obligations of the Underwriters hereunder.

5. **Indemnification and Contribution.**

A. The Transaction Entities, jointly and severally, will indemnify and hold harmless each Underwriter, its partners, members, directors, officers, employees, affiliates and agents and each person, if any, who controls such Underwriter within the meaning of the Act or the Exchange Act, against any losses, claims, damages, liabilities or expenses, joint or several, to which any of them may become subject under the Act, the Exchange Act or other federal or state statutory law or regulation or at common law, insofar as such losses, claims, damages, liabilities or expenses (or actions in respect thereof) arise out of or are based upon any untrue statement or alleged untrue statement of any material fact contained in the Registration Statement, any related preliminary prospectus, any Issuer Free Writing Prospectus, the General Disclosure Package or the Prospectus, or in any "issuer information" (as defined in Rule 433) or "road show" (as defined in Rule 433) that does not constitute an Issuer Free Writing Prospectus, in each case as amended or supplemented, or arise out of or are based upon the omission or alleged omission to state therein a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, and will reimburse each indemnified party for any legal or other expenses reasonably incurred by such indemnified party in connection with investigating or defending any such loss, claim, damage, liability, action or expense as such expenses are incurred; provided, however, that the Transaction Entities will not be liable in any such case to the extent that any such loss, claim, damage, liability or expense arises out of or is based upon an untrue statement or alleged untrue statement in or omission or alleged omission from any of such documents in reliance upon and in conformity with written information furnished to the Company by any Underwriter through the Representatives specifically for use therein, it being understood and agreed that the only such information furnished by any Underwriter consists of the information described as such in Section 5(B) below.

B. Each Underwriter severally and not jointly will indemnify and hold harmless each Transaction Entity, its directors and officers and each person, if any, who controls the Company within the meaning of the Act or the Exchange Act, against any losses, claims, damages, liabilities or expenses to which any of them may become subject, under the Act, the Exchange Act or other federal or state statutory law or regulation or at common law or otherwise, insofar as such losses, claims, damages, liabilities or expenses (or actions in respect thereof) arise out of or are based upon any untrue statement or alleged untrue statement of any material fact contained in the Registration Statement, or in any related preliminary prospectus, any Issuer Free Writing Prospectus or the Prospectus, or in any “issuer information” (as defined in Rule 433) or “road show” (as defined in Rule 433) that does not constitute an Issuer Free Writing Prospectus, in each case as amended or supplemented, or arise out of or are based upon the omission or the alleged omission to state therein a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, in each case to the extent, but only to the extent, that such untrue statement or alleged untrue statement or omission or alleged omission was made in reliance upon and in conformity with written information furnished to the Company by such Underwriter through the Representatives specifically for use therein, and will reimburse any legal or other expenses reasonably incurred by each indemnified party in connection with investigating or defending any such loss, claim, damage, liability, action or expense as such expenses are incurred, it being understood and agreed that the only such information furnished on behalf of each of the Underwriters consists of (i) the first three sentences of the third paragraph under the caption “Underwriting—Conflicts of Interest” in the Pre-Pricing Prospectus and the Prospectus related to the public offering price, concession and reallowance, (ii) the third sentence of the fourth paragraph under the caption “Underwriting—Conflicts of Interest” in the Pre-Pricing Prospectus and the Prospectus related to the Underwriters’ intention to make a market in the Notes, and (iii) the fifth and sixth paragraphs under the caption “Underwriting—Conflicts of Interest” in the Pre-Pricing Prospectus and the Prospectus related to stabilization, covering transactions and penalty bids appearing.

C. Promptly after receipt by an indemnified party under this Section of notice of the commencement of any action, such indemnified party will, if a claim in respect thereof is to be made against the indemnifying party under Section 5(A) or 5(B) above, notify, in writing, the indemnifying party of the commencement thereof; but the omission to so notify the indemnifying party will not relieve it from any liability that it may have to any indemnified party under Section 5(A) or 5(B) above unless and to the extent it did not otherwise learn of such action and such failure results in the forfeiture by the indemnifying party of material substantive rights and defenses. In case any such action is brought against any indemnified party and it notifies the indemnifying party of the commencement thereof, the indemnifying party will be entitled to participate therein and, to the extent that it may wish, jointly with any other indemnifying party similarly notified, to assume the defense thereof, with counsel satisfactory to such indemnified party (who shall not, except with the consent of the indemnified party, be counsel to the indemnifying party), and after notice from the indemnifying party to such indemnified party of its election so to assume the defense thereof, the indemnifying party will not be liable to such indemnified party under this Section for any legal or other expenses subsequently incurred by such indemnified party in connection with the defense thereof other than reasonable costs of investigation. Notwithstanding anything contained herein to the contrary, the indemnifying party shall be liable for the reasonable fees and expenses of not more than one counsel (in addition to any local counsel) separate from their own counsel for the indemnified parties in connection with any one action or separate but similar or related actions in the same jurisdiction arising out of the same general allegations or circumstances. No indemnifying party shall, without the prior written consent of the indemnified party, effect any settlement of any pending or threatened action in respect of which any indemnified party is or could have been a party and indemnity could have been sought hereunder by such indemnified party unless such settlement (i) includes an unconditional release of such indemnified party from all liability on any claims that are the subject matter of such action, (ii) does not include a statement as to, or an admission of, fault, culpability or a failure to act by or on behalf of an indemnified party, and (iii) does not include any undertaking or obligation to act or to refrain from acting by the indemnified party.

D. If the indemnification provided for in this Section is unavailable or insufficient to hold harmless an indemnified party under Section 5(A) or 5(B) above for any reason, then each indemnifying party (with respect to the Transaction Entities, jointly and severally) shall contribute to the amount paid or payable by such indemnified party as a result of the losses, claims, damages, liabilities or expenses referred to in Section 5(A) or 5(B) above (i) in such proportion as is appropriate to reflect the relative benefits received by the Transaction Entities on the one hand and one or more of the Underwriters on the other from the offering of the Securities or (ii) if the allocation provided by clause (i) above is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in clause (i) above but also the relative fault of the Transaction Entities on the one hand and the Underwriters on the other in connection with the statements or omissions which resulted in such losses, claims, damages, liabilities or expenses as well as any other relevant equitable considerations. The relative benefits received by the Transaction Entities on the one hand and the Underwriters on the other shall be deemed to be in the same proportion as the total net proceeds from the offering (before deducting expenses) received by the Transaction Entities bear to the total discounts and commissions received by the Underwriters under this Agreement. The relative fault shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Transaction Entities or the Underwriters and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such untrue statement or omission. The amount paid by an indemnified party as a result of the losses, claims, damages, liabilities or expenses referred to in the first sentence of this Section 5(D) shall be deemed to include any legal or other expenses reasonably incurred by such indemnified party in connection with investigating or defending any action or claim which is the subject of this Section 5(D). Notwithstanding the provisions of this Section 5(D), no Underwriter (except as may be provided in any agreement among Underwriters relating to the offering of the Securities) shall be required to contribute any amount in excess of the discount or commission applicable to the Securities purchased by such Underwriter hereunder. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. The Underwriters' obligations in this Section 5(D) to contribute are several in proportion to their respective obligations and not joint. The Transaction Entities and the Underwriters agree that it would not be just and equitable if contribution were determined by pro rata allocation or another method of allocation that does not take account of the equitable considerations referred to above.

E. The obligations of the Transaction Entities under this Section shall be in addition to any liability that the Transaction Entities may otherwise have and shall extend, upon the same terms and conditions, to each partner, member, director, officer, employee or agent of any Underwriter and any person, if any, who controls any Underwriter within the meaning of the Act or the Exchange Act; and the obligations of the Underwriters under this Section shall be in addition to any liability that the respective Underwriters may otherwise have and shall extend, upon the same terms and conditions, to each director of the Transaction Entities, to each officer and to each person, if any, who controls the Transaction Entities within the meaning of the Act.

6. **Default of Underwriters.** If any Underwriter or Underwriters default in their obligations to purchase Securities hereunder at the Closing Time and the total principal amount of Securities that such defaulting Underwriter or Underwriters agreed but failed to purchase does not exceed 10% of the total principal amount of Securities that the Underwriters are obligated to purchase at the Closing Time, the Representatives may make arrangements satisfactory to the Company for the purchase of such Securities by other persons, including any of the Underwriters, but if no such arrangements are made by the Closing Time, the non-defaulting Underwriters shall be obligated severally, in proportion to their respective commitments hereunder, to purchase the Securities that such defaulting Underwriters agreed but failed to purchase at the Closing Time. If any Underwriter or Underwriters so default and the total principal amount of Securities with respect to which such default or defaults occur exceeds 10% of the total principal amount of Securities that the Underwriters are obligated to purchase at the Closing Time and arrangements satisfactory to the Representatives and the Company for the purchase of such Securities by other persons are not made within 36 hours after such default, this Agreement will terminate without liability on the part of any non-defaulting Underwriter or the Company, except as provided in Section 5 above. Nothing herein will relieve a defaulting Underwriter from liability for its default. In the event of any such default which does not result in a termination of this Agreement, the Representatives shall have the right to postpone the Closing Time for a period not exceeding seven days in order to effect any required changes in the Registration Statement, the General Disclosure Package or Prospectus or in any other documents or arrangements. As used herein, the term "Underwriter" includes any person substituted for an Underwriter under this Section 6.

7. **Expenses.** Whether or not the transactions contemplated hereby are consummated or this Agreement is terminated, the Company agrees to pay or cause to be paid the following: (1) the fees, disbursements and expenses of the Company's counsel and accountants in connection with the preparation, printing and filing of the Registration Statement and each amendment thereto (in each case including exhibits) and any costs associated with electronic delivery of the foregoing; (2) the preparation, printing and delivery to the Underwriters of copies of each preliminary prospectus, any Permitted Free Writing Prospectus and the Prospectus, or any amendment or supplement thereto and any costs associated with electronic delivery of any of the foregoing; (3) the printing and delivery (including postage, air freight charges and charges for counting and packaging) of such copies of any Blue Sky memoranda, this Agreement and the Indenture and all amendments or supplements to any of them as may be reasonably requested for use in connection with the offering and sale of the Securities; (4) all expenses in connection with the qualification of the Securities for offering and sale under state securities laws or Blue Sky laws, including reasonable attorneys' fees and out-of-pocket expenses of the counsel for the Underwriters in connection therewith; (5) the filing fees and reasonable attorneys' fees incident to securing any required review by FINRA of the fairness of the terms of the sale of the Securities; (6) the cost of issuing and delivering the Securities, including printing costs; (7) the costs and charges of the Trustee, any other trustee, transfer agent or registrar; (8) the cost of all transfer taxes, if any, imposed in connection with the issuance and delivery of the Securities to the respective Underwriters; and (9) the transportation, lodging, graphics and other expenses incidental to the Company's preparation for and participation in any "roadshow" for the offering contemplated hereby. Except as provided in this Section 7 and in Section 8 hereof, the Underwriters shall pay their own expenses, including the fees and disbursements of their counsel.

8. **Survival of Certain Representations and Obligations.** The respective indemnities, agreements, representations, warranties and other statements of the Transaction Entities or their respective officers and of the several Underwriters set forth in or made pursuant to this Agreement will remain in full force and effect, regardless of any investigation, or statement as to the results thereof, made by or on behalf of any Underwriter, the Transaction Entities or any of their respective representatives, officers or directors or any controlling person, and will survive delivery of and payment for the Securities. If this Agreement is terminated pursuant to Section 6 or if for any reason the purchase of the Securities by the Underwriters is not consummated, the Company shall remain responsible for the expenses to be paid or reimbursed by it pursuant to Section 3 and Section 7 and the respective obligations of the Transaction Entities and the Underwriters pursuant to Section 5 shall remain in effect, and if any Securities have been purchased hereunder the representations and warranties in Section 1 and all obligations under Section 3 shall also remain in effect. If the purchase of the Securities by the Underwriters is not consummated for any reason other than solely because of the termination of this Agreement pursuant to Section 6 or the occurrence of any event specified in Sections 4(D)(2), 4(D)(3), 4(D)(5), 4(D)(6), or 4(D)(7), the Company will reimburse the Underwriters for all out-of-pocket expenses (including fees and disbursements of counsel) reasonably incurred by them in connection with the offering of the Securities.

9. **Notices.** All communications hereunder will be in writing and, if sent to the Underwriters, will be mailed, delivered or telegraphed and confirmed to the Representatives, c/o Wells Fargo Securities, LLC, 550 South Tryon Street, 5th Floor, Charlotte, North Carolina 28202, Attention: Transaction Management, Facsimile (704) 410-0326; Citigroup Global Markets Inc., 388 Greenwich Street, New York, New York 10013, Attention: General Counsel, Facsimile: (646) 291-1469; J.P.
